RIVA 52 RIVALE

This yacht is equipped with 2 x 27 kW ONAN generators, 2 x Dometic Chiller air conditioners, and a Sidepower bow thruster, offering powerful electrical and marine equipment. It features teak cockpit, side decks, and a hydraulic swimming platform. The Raymarine Radar and GPS system, VHF radio, and Raymarine autopilot provide advanced navigation capabilities. Entertainment options include a KNS satellite TV system, Samsung TVs in all cabins, and a Naim music system. The flybridge is equipped with a Gaggenau grill, a 50L fridge, and a wet bar for comfort. Dometic and Seamar water makers, a Williams 435 Sportjet tender, and 2 x Vitrifigo ice makers are also part of the yacht's amenities. The electrical systems are complemented by an automatic battery charger for the generator and a directional searchlight.
